OBJECTIVES

To obtain a position where I can utilize my experience, my ability to adapt, learn quickly and work well with others.

WORK EXPERIENCE

- **Internship - Software Developer**

Taters Enterprises, Inc.

Makati City

August 26 – December 12, 2022 (4 months)

Project: I Love Taters (Online Store)

Website: www.ilovetaters.com

Platform: Web Application

Technologies: ReactJS, TypeScript, Redux, PHP (CodeIgniter)

Description: Is a web-based e-commerce platform developed using modern technologies to provide a seamless and efficient shopping experience for customers.

Role: Full Stack

Duties & Responsibilities:

- Designing of web pages
- Building APIs
- Research and Development
- Daily and weekly status meeting with senior developer and managers
- Ensuring the quality of code implementation and design
- Assisting my senior's developer
- Performing other related tasks assigned from time to time
- Collaborate with the team

- **Software Developer**

Exxel Prime Int'l Trading Inc.

Caloocan City

March 17 – June 17, 2023 (3 months)

Project: Company System (localhost)

Platform: Web Application

Technologies: Delphi, JS, CSS, JASPER, SQL

Description: I worked on a system that streamlined inventory management and reporting for a company. It tracked product details, generated real-time reports, managed orders, and maintained supplier connections, all while integrating with financial systems for seamless operations.

Role: Full Stack

Duties & Responsibilities:

- Designing of web pages
- Research and Development
- Daily and weekly status meeting with managers
- Collaborate with the team
- Implementing Jasper report
- I ensured high-quality code implementation and designed efficient queries, emphasizing clarity and performance to enhance the reliability and effectiveness of the system.

- **Full Stack Developer**

Upward Management

Insurance Services Inc.

Quezon City

Sept 13, 2023 – Oct 8, 2025

Project: Company Accounting & Claims System (<https://umis.upwardinsurance.net/>, <https://ucsmi.upwardinsurance.net/>, <https://claims.upwardinsurance.net/>)

Platform: Web Application

Technologies: React (TypeScript), Node.js (TypeScript), MySQL, Workbench, Hostinger, VB.NET (for reverse

engineering legacy system)

Description: I worked on a system that streamlined inventory management and reporting for a company. It tracked product details, generated real-time reports, managed orders, and maintained supplier connections, all while integrating with financial systems for seamless operations.

Role: Full Stack

Duties & Responsibilities:

- Solo developer responsible for modernizing a legacy VB.NET + SQL desktop system into a full-featured web application.
- Translated and rebuilt old code by reverse-engineering the desktop app and understanding business logic through existing source code and minimal guidance from non-technical staff.
- Rebuilt system modules one by one using modern technologies:
 - **Frontend:** React with TypeScript
 - **Backend:** Node.js with TypeScript
 - **Database:** MySQL via Workbench
 - **Hosting:** Hostinger
- Successfully delivered a fully functional production system used by the company within a year.
- Continues to add new features and perform regular system maintenance.
- Overcame challenges including lack of team support, outdated documentation, and limited domain knowledge by conducting independent research and learning.

TECHNOLOGICAL SKILLS

- **Web Development:**
Laravel, ASP.Net MVC, Angular JS, React JS, Vue JS, jQuery, JavaScript, HTML, CSS
- **Programming Languages:**
C#, VB, PHP, JavaScript, Java, Python
- **Database:**
MySQL, MS SQL, Mongo DB

EDUCATIONAL BACKGROUND

- **Bachelor of Science in Information Technology**
Major in information Management
Bestlink College of the Philippines
2019 – 2023
- **Information Communication Technology**
Senior High School
St. Claire College of Caloocan City
2017 – 2019
- **High School**
Benigno Aquino Jr. High School
2013 – 2017
- **Elementary**
Gabriela Silang Elementary School
2006 – 2013

PERSONAL BACKGROUND

Age : 25 years' old
Birth Date : November 21, 1999
Sex : Male
Civil Status : Single
Nationality : Filipino
Height : 5'5"
